

### MADE IN THE U.S.A.

American-crafted apparel runs strong and stays local.

BY ALLISON PATTILLO

**MADE IN AMERICA** goes well beyond red, white and blue—although those are great colors! Runners can find plenty of covetable performance wear that's made in U.S. factories featuring technological innovations, recycled fabrics and fashion-savvy styling. Run with American pride and make Springsteen proud with the following gear.

**1 Runyon Canyon Signature Vintage 1932 Olympic Running Man shirt**  
 \$36, [runyon.com](http://runyon.com) // Los Angeles  
 Soft performance fabric feels like your favorite old T-shirt and features an original graphic from the 1932 Olympic Games, held in Los Angeles.

**2 Atayne Reduce Reuse Recycle Run Long Sleeve REC T Elite**  
 \$45, [atayne.com](http://atayne.com) // Brunswick, Maine  
 A splash of tie-dye complements an eco-friendly message on this tech shirt made from recycled polyester.

**3 Tracksmith Longfellow Short**  
 \$90, [tracksmith.com](http://tracksmith.com) // Wellesley, Mass.  
 Don't let the clean tailoring, horn buttons and woven labels deceive you—these wicking, four-way stretch shorts are meant for Central Park, the trail and even the beach.

**4 WSI Sports Microtech Slider shorts**  
 \$23.50, [wsisports.com](http://wsisports.com) // Eagan, Minn.  
 Tick off the miles in slim-fitting, moisture-wicking, anti-microbial shorts that resist snags and stay fresh-smelling.

**5 Melanzana Hard Face Hoodie**  
 \$136, [melanzana.com](http://melanzana.com) // Leadville, Colo.  
 Stay toasty on invigorating winter runs in a full-zip hoodie that doubles as a jacket or mid-layer.

**6 Thorlo Maui Collection XCCU Experia Multi-Activity Socks**  
 \$15, [thorlo.com](http://thorlo.com) // Statesville, N.C.  
 These socks have just enough zonal padding in the heel and forefoot to keep feet happy on long jaunts.

**7 Goodhew Inspire Micro socks**  
 \$16, [goodhew.com](http://goodhew.com) // Chattanooga, Tenn.  
 A blend of wool, bamboo, nylon and spandex create a natural wicking, anti-microbial and long-lasting sock with seamless toe design and arch support.

**8 New Balance 990v3**  
 \$155, [newbalance.com](http://newbalance.com) // Boston  
 New Balance has been making a portion of its shoes in the U.S. for more than 100 years. Do your feet and stride proud in these classic, American-made stability trainers that use dual-density foam in the heel collar for enhanced comfort and support.
