

ATAYNE GARMENT TAKE BACK FORM

Thanks for helping Atayne take some important steps to reduce our collective impact on the environment. Our garment take back program is just one step in this long journey.

Unlike most take back programs; we do not immediately recycle the tops we collect into new material. We will look to reuse the materials in their existing state to create new products. Remember the 3Rs – first you Reduce, then you Reuse, and finally you Recycle.

Once we receive your top and verify that it is an accepted item, we will send you a code to receive \$5 off your next purchase at the Atayne.com. Please note, right now we can only accept 100% polyester performance tops.
